Date	03 July 2026
Team ID	N/A
Project Name	OptiCrop – Smart Agricultural Production Optimization Engine
Maximum Marks	1 Mark

Team Involvement in Demonstration:

OptiCrop was developed and will be demonstrated by a single developer (no team ID / multi-member team was assigned for this project). The table below records that solo participation.

S. No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Vandrase Durga Arun kumar	Presenter & Developer	Full demo — problem statement, live crop prediction, model comparison results, and code walkthrough	Designed, built, trained, and deployed the entire OptiCrop solution end-to-end	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Vandrase Durga Arun kumar (solo developer)
Overall Team Coordination Rating (1-5)	N/A — single-person project
Any issues during demo	None specific to coordination; main risk is time management when covering EDA, model comparison, and the live app in one session
How issues were resolved	Demo flow was scripted in advance (see Project Demo Planning) to keep each section within its allotted time
